Dear Bill

I would like to thank you on behalf of the staff and children for the work you completed on the refurbishing of our school.

Oxford Crescent was a very dated and highly unsatisfactory environment in which to both teach and learn. Your building team has transformed the school into a vibrant and innovative environment.

The classrooms are a delight to be in and the children have responded very positively to their attractive and comfortable surroundings. The staff too appreciate their new working conditions and for the first time in a number of years we do not have to anticipate staff changes.

I particularly enjoyed working with you Peter, and your team Bill. I appreciate the efforts that were made to finish each stage on time and allow classroom programmes to be maintained. The professional manner in which your builders conducted themselves, the high standard of finish and attention to detail certainly made this particular project a success. The positive feedback we receive as visitors enter the school is overwhelming. Many have commented that it is the most wonderful school environment they have ever seen.

Thank you Bill, we appreciate all of your hard work.

Kind regards
