Peryer Builders Ltd  
PO Box 47-117,  
Trentham,  
Lower Hutt.

Dear Sir,

**THANK YOU**

The Board of Trustee's and staff of Churton Park School wish to extend our thanks to you following completion of the recent building work at our school.

It is a pleasure to have our staff, architect and project manager reporting back to us the following information:

Good quality work;  
On budget;  
On schedule;  
Work was always scheduled to fit in with school operation; and  
Flexible with respect to any project amendments.

The volume of property work undertaken at the school in recent years allows us to make the comparison and in doing so we wanted to pass on the compliments to you for the high quality delivery of the contracted work.

Thanks again, i hope we have the opportunity to use your services again in future.

Yours sincerely
