**TRENTHAM.**

Dear Bill,

A little later than I should have, I rang Ian Bowman and asked him to invite you to the Service and lunch to commemorate the conservation work on the Church. I was sorry to see that you were not there - it was very late notice - but I still paid especial tribute to you and your firm for the sensitive and thoughtful way you carried out the work and fitted in with the operational requirements of the Church. All the Church staff spoke very highly of you.

I am sorry you were not there to hear that, and share in the feeling of satisfaction in the completion of this vital work on our much-loved Church.

Kind regards,

**GLEN EVANS**
