**To whom it may concern**

Peryer Construction Wgtn Ltd has been engaged on a significant number of projects for us in the education sector in the twenty plus years we have had a professional relationship.

As Project Manager and Lead Consultant to the Ministry of Education and numerous Board of Trustees, we are closely involved in the administration of the construction projects.

During the course of every contract we found Peryer Construction Wgtn Ltd to be professional and very proficient in all aspects of the delivery of the works.

Site staff and management are always found to be experienced with a high level of communication skills, strong emphasis on Health and Safety and willingness to be a team player.

With regard to Health and Safety, we are always impressed with the rigorous processes and procedures put in place to ensure the safety of employees, sub-contractors, school staff and students. We have never had any issues with Peryer Construction Wgtn Ltd.

Every project is delivered within our high expectations and to an extreme standard of finish.

Yours faithfully
